Van Lanahan, FBI, Special Investigator Chief of Police, Sheriff Paul Egloff, Upper Row, Deputy Sheriff Bill Johnson, C. C. Keller, Richard Anthony, Luther Perkins, City Police Arthur Garcia, Frank Klein.

Preview of "Strange Bedfellows" At Little Theatre Wednesday Night Draws Favorable Comment

To Be Presented To Public Thursday, Friday, Saturday Nights of This Week

The first play of the season, "Strange Bedfellows" will be presented by the Little Theatre on Thurs., Fri., and Sat. nights March 30, 31 and April 1, and it is requested that all membership dues be paid before the first presentation.

"Strange Bedfellows" is set in San Francisco during the Suffragist Movement in 1896 and is a political satire at its funniest. The play is directed by Mrs. Eleanor Sabath and it is amazing that a role very skillfully played by a cast of local people some of them on stage for the first time. The play is full of laughs and is good for an evening's relaxation and enjoyment.

J. J. Kelleher is the crotchety Senator Cromwell who plots the downfall of his suffragette daughter-in-law, Clarissa. Mrs. Louise Desher is Mrs. Cromwell, a role very skillfully played by the pliant wife of the Senator, who turns suffragette on the thought that should she die first, the Senator could marry again and give all her furs and jewels to his second wife, Clarissa. The suffragette leader, is beautifully done by Betty Lee Mitchell, and portrays her struggle in keeping a firm conviction on her political rights, and at the same time being a mere woman in love with the Senator's son, Matthew Cromwell, who is her husband, Paul Towner, as Matthew Cromwell, has a fine stage presence and voice.

PROCLAMATION

WHEREAS: The fearsome disease, cancer, represents a serious community problem in Bay St. Louis as it affects on the average one of every two families in our city;

WHEREAS: It is known measures can be taken to cut down the present cancer death-rate, easing the tragedy for individuals and lightening the community burden of the great social and economic losses resulting from this high death rate;

WHEREAS: Cancer Control, to be effective, must be the vital concern of each and every one of us, therefore, I, Warren Carver, Mayor of the City of Bay St. Louis, hereby proclaim April as "Cancer Control Month" and request that the citizens of this city observe it as such.

I request that all individuals—for the protection of themselves and their loved ones—learn the essential facts about this disease, I further request that all individuals, institutions, businesses, and organizations support, cooperate with and assist the American Cancer Society in the 1950 Cancer Crusade.

WARREN CARVER, MAYOR

Red Cross Benefit Minsirel Is Huge Success

The minstrel under the auspices of the Red Cross and directed by Mrs. Nelius Rhodes, was presented last Friday night at the SJA gym with the most appreciative audience.

The cast was as follows: Josephine, Janelle Van Trier; Joe, Scotty Asenheimer; Peppy, Jimmy Gilmore; Amos, Roy Gulotta; Moe, Paul Palermo; Jackson, Joe Clark; Harry, Pat McCurran; Sapparella, Marlene Norris; Tulip, Clara Puchey; Willie James O'Brien; Mouse, Tommy Aicklen; Elmo, Emile Carrere; Radish, Gilbert Schmidt; Horse, Eugene Schwartz; Roscoe, Stanton Rosenblatt; Al, Alfredo Canley; Aloysius, Al Burns; Henry, Johnny Guthecht; Bones, Rikki Guthecht; Bill, John LaBrazzo; Lazy, Ruman Schultz; Lilac Ann Kenmar; Sugar, Guy Rhodes; Honey, Patsy Shadoin; Lassie, Jerry Blenvenue; Boogy, Jimmy Kramer; Pansy, Noelle Dicks; Daffodil, Patsy Favre; Mudd, Speedy Rhodes; Tiny, Clarence Kimball.

The scene opened on the backyard of a Negro family doing their chores, hanging up clothes, washing, picking cotton and whittling wood while the pickaninies quarreled and played. Excitement reigned when Josephine arrived from New York with her split skirt and elaborate costume. To entertain her, the dorkies gave a performance. Mouse sang "Accentuate the Positive," Jackson and Al gave a skit, Daffodil and Lassie danced very gracefully in a ballroom dance, Horse frequently recited two or three lines of poetry in a monotone that made everyone laugh, Willie and Radish gave a skit as did Aloysius and Henry. Joe, Aloysius, Henry and Bones sang as a quartet, Bill, supported by Lassie, Boogy and Mudd, sang "Chattanooga Shoe Shine Boy" with great rhythm. Jackson, with a patch on his face, gave a Monologue. Sugar tap danced, Lassie played the harmonica while Daffodil tap danced, and Lazy and Lilac jiggerbugged.

The second act was staged in Hollywood where Josephine decided to go with all her friends, instead of returning to New York.

There Bill and Tiny enacted Beulah and Bill, Joe impersonating Bing Crosby sang, "There's No Tomorrow," Josephine as Eleanor Powell danced; Joe, Aloysius, Henry and Bones as the Cherry Sisters, sang Basin Street Blues and Phil Harris, gave a recitation, Pansy and Amos as Yolanda & Veloz, gave a pseudo adagio in which Pansy was dropped on the floor twice, Harry, as Al Jolson, sang, "Mammy," Al as Carmen Miranda, sang "Rainy Night in Rio," Bill and Willie impersonated Abbott and Costello. Josephine and Joe as Jeannette McDonald and Nelson Edie, sang "Because You're You" and Lassie as Fred Astaire, tap danced.

The lesson that ardent gardeners learn is that nature is a tricky assistant in the growing of flowers and vegetables.

LEAGUE OF WOMEN VOTERS HAS FIRST MEETING FRIDAY

The first board meeting of the Provisional League of Women Voters of Bay St. Louis was held on Friday morning, March 24, at the home of Mrs. E. C. Samuel, with Mrs. Samuel presiding. The business of the meeting was to appoint the three remaining members of the board.

The first issue which was brought to the notice of the board was the highly controversial question of the trusteeship of the new toll bridge across the bay. After a full discussion, it was decided by the board that, since there was neither the time nor the opportunity for a detailed study of both sides of the question, no stand could be taken by the league. It was further impressed on the members of the board that the league is not political but an educational organization, not a pressure group. Any action taken by members of the league on such issues must be taken as individuals and not as members of the league.

There will be a meeting of the board on Friday morning, March 31 at the home of Mrs. Leigh Carroll. At this time the membership chairman will be named and a drive for members inaugurated. Meanwhile, anyone who is interested in joining the league is requested to get in touch with Mrs. Elizabeth Crust, 848 or Mrs. E. C. Samuel at 387-J.

To Charge Fee For Building Permits In The Future, Says City Council

Mayor's Proposal Adopted In Its Entirety By Commissioners

"A proposal that the Building Permit Ordinance of the Commission Council be amended so as to make it mandatory that a building permit be required on any repair or new construction job in limits of Bay St. Louis and that a fee be charged for the issuance of such permit at the rate of ten cents for each one hundred dollars of value but with a minimum and maximum charge was adopted unanimously by the Commission Council at a special meeting called on Tuesday, March 28, 1950.

The minimum charge was placed at \$10.00 and the maximum charge at \$25.00. All revenue collected from this source will be placed to the credit of a playground and park fund. Failure to comply with the provisions of the newly adopted amendments to the ordinance carries a penalty. The right amendments are as follows:

Motion that Ordinance 12 of the Commission Council of the City of Bay St. Louis, adopted on March 4, 1929, be amended, as follows:

1. To provide that any person, firm, or corporation making application for a building permit must stipulate in said application the approximate cost of such repair, replacement, addition, or new construction contemplated by applicant;
2. To provide that such building permit be compulsory in all cases where the total cost of repair, replacement, addition, or new construction shall exceed the sum of \$50.00;
3. To provide a fee for the issuance of any building permit at the rate of ten cents for each one hundred dollars of estimated cost and providing further for a minimum fee of \$10.00 and a maximum fee of \$25.00;
4. To provide that the revenue derived from the issuance of all building permits shall be collected by the office empowered to issue permits and that all such revenue be deposited by the Commissioner of Finance to the credit of a fund designated as "Playground and Park Fund";
5. To provide that it shall be unlawful for any person, firm or corporation to engage in any repair, replacement, addition, or new construction work without first having made application for a building permit and providing further that any person, firm, or corporation who shall fail or refuse to make application for such permit or who shall fail or refuse to pay the fee provided for by this ordinance shall be subject to a fine of not less than \$10.00 or double the amount of such fee whichever is greater, or a jail sentence to be decided by the court, or both fine and jail sentence;
6. To provide that any such fine or fines so collected shall be deposited to the credit of the fund so designated as "Playground and Park Fund";
7. To provide that the officer empowered to issue permits shall make a monthly report to the Commission Council on the first Monday of each month of all permits issued by him during the previous month, showing: (a) to whom issued; (b) amount of the permit; and (c) fee collected;
8. To provide that these amendments shall take effect and be in force immediately.

SLIDELL HOLD-UP MEN CAPTURED HERE IN RECORD TIME

John Thomas and Mosey J. Newson, Negroes, from Chicago, Ill. held a taxi cab driver by point of gun at Slidell, La., at 11:00 a.m. today and took his taxi and wallet, G. V. Price, Jr., in the Hancock County Sheriff's office received the call at 11:45 a.m. and immediately Constable Price and Deputy Sheriff Paul Egloff drove out on the highway, spotted the car, turned around and followed it to Bay High School where chief of police Saucier and G. V. Price, Jr. were waiting. By the time Constable Price and Egloff arrived Chief Saucier and Price, Jr. had the Negroes under arrest.

A 25-caliber automatic pistol was found on John Thomas and a 32 revolver was on the seat with a snapped cartridge.

Another taxi had been trailing the car and trying to get in touch with officers, but were held off at gun point. The Negroes signed a confession and returned willingly to face charges, accompanied by H. A. Rousseaux, deputy sheriff and W. R. Allen, Louisiana patrolman.

The Hancock County Officers made the arrest fifteen minutes after they received the call.

The body of Tupper Drene, of Jackson, who was drowned last Saturday afternoon, when he jumped overboard in an attempt to save a fellow member of a five-man fishing party was recovered late Wednesday morning by Sheriff Burton D. Johnson and a crew of searchers, after hunting for the body for three and a half days.

It was reported the body was badly decomposed when found. Coroner Thos. J. McCaleb and members of the coroner's jury returned a verdict of accidental death by drowning.

Planes, boats, and scores of searchers had combed the stretch of beach from Lakeshore to Bay St. Louis for three and a half days in search of the body of the missing man.

The drowned man, Tupper Drene, was the father of five children and was purchasing for the Mississippi Power and Light Company, out of Jackson, Miss. Drene leaped from the 26-foot power boat, the Lady Liz, in an effort to save a 39-year old New Orleans man, Thomas Patton, who was thrown overboard during rough weather, about a thousand yards from land in the vicinity of Lakeshore, last Saturday.

Patton was injured when the propeller of the boat cut his leg in several places, however he was pulled back into the boat by other companions and rushed to King's Daughters Hospital here for treatment, but Drene disappeared and was not seen again until his body was found Wednesday morning.

Commander Keene of the Coast Guard and Sheriff Burton D. Johnson, of Hancock County, directed the hunt for the body.

With Patton and Drene in the fishing party were Drene's brother, Thomas Drene, Stewart Irby, Jr., and Buck Gatewood, all from Jackson.

FUNERAL SERVICES HERE FOR MRS. MARY ANN PAGANO

Mrs. Mary Ann Mallini Pagano died in Gulfport, Miss., on Monday, March 27th at 7:15 p.m. at the age of 52 years. She is survived by her husband Sam Pagano, two daughters, Mrs. Catherine Luce and Annie Pagano and two sons, Salvador and Sylvester Pagano; seven brothers, Lawrence, Ted, Phillip, Thomas, Jimmie, Grover and William Mallini and one sister, Mrs. Hilda Frommel.

Funeral services took place from the home in Henderson Point, Miss., with religious services on Wednesday, March 29 at 10:00 a.m. at St. Paul's Catholic Church, Pass Christian, Miss. Interment was in Bay St. Louis St. Mary's Cemetery.

Census Trainees Attend Class In Picaune

Approximately thirty persons attended the training class for taking the census, in Picaune this week. The rural trainees began classes on Monday and will end Friday. The urban trainees began classes on Wednesday to end Friday.

Those attending from Bay St. Louis were Mrs. Frank Kiefer, Mrs. S. T. Asenheimer and Mr. Dennis Tonkel. From Waveland were Mr. Connie Herlihy and Mr. Harold Hicks.

HANCOCK COUNTY EAGLE

Published by the EAGLE PUBLISHING COMPANY INC.
John Dandridge, Editor

Subscription Price \$2.00 per Year in Advance

Entered as Second Class Matter at the Postoffice at Bay St. Louis under Act of March 3, 1879.

DEAR UNCLE:

Swift & Company of Chicago have granted us permission to reprint an editorial which appeared in the February issue of the Swift News. In their letter Swift & Company says: "We hope the message will have the desired effect upon the people in your area who read it, encouraging them to express their disapproval of the back-breaking load of taxes we are now carrying." The editorial in the form of a letter follows:

Washington, D.C. 1950

Uncle Sam,

Washington, D.C.

Dear Uncle: Let's talk things over. Somehow I have had the idea you were working for me, that I gave you your job by my vote.

It looks now like the shoe is on the other foot. You've got me working for you. I don't quite know how it happened, but here are the figures:

To pay our debts for former wars I work 11 days each year
For defense and the cold war I work 24 days each year
For other Federal expenses I work 12 days each year
Total 47 days each year

Now you're talking about spending more. If you put these bills across, they will cost me another 20 days per year. In addition, I have to work for State and local government expenses 14 days.

That is a total of 81 days. There are only 252 working days in a year. So you and others are putting the bite on me in taxes for almost a third of everything I earn. And it hurts.

President Truman appointed a bunch of pretty smart people to study the problem of Government economy a while back. Their outfit was named the Hoover Commission. I'd like to see you follow their recommendations.

Now I know, Uncle, that I've asked you to do a lot of things for me. Too many, I guess, considering how much they cost. If I depend on you to put aside more money for my old age and to meet my bills when I'm sick, somebody will have to pay. And if you're going to pay me whether I work or not, build me a house, and send my kids to college, there's just one thing that's certain. Your hand will be in my pocket all the time instead of just about one-third of the time, or else you'll be bankrupt. Credit is a great thing, but you can stretch yours too far just like I can mine.

So, what am I going to do about it? Well, Uncle, I'm going to let my Congressman know what I think we taxpayers can afford and what we can't pay for. And I'm going to tell him, too, that he has to limit spending to absolute necessities.

Yours truly,

SAM CITIZEN

GUARD RENDERS SERVICE

In the summer of 1950, some 300,000 men and officers of the National Guard will go to camps and military installations for their annual field encampment.

The announcement calls to mind the great service that the members of the National Guard perform for their states and the nation. In the event of international trouble, the Guard will function as a first reserve and, inside the various states, the units are available to maintain law and order.

The National Guard is identified with the states. Subject to some reservations, they are subject to the orders of state officials. The effort to change this status and to "nationalize" the Guard brought about a storm of protest some months ago. It is just as well that these military units are state-controlled as not. There is nothing to be gained by putting everything under the control of a few head-men in Washington.

TO REDUCE TRAFFIC DEATHS

The best way to save the lives of some of the American citizens who are killed in highway accidents is by enforcing the laws regulating the movement of vehicles.

The highway regulations, including the rules for parking, are little matters that cost life or death at times. No one knows when a minor violation may cause a major tragedy. Consequently, the minor violators should be punished promptly.

The enforcement of traffic rules should proceed without recognition of "big shots." Nobody in any community ought to have prestige or power enough to escape punishment for violations of the regulations. Enforcement officers should not "know" anybody; neither should juries and judges.

APPLICATIONS NOW
BEING RECEIVED

Applications are being accepted by the Tenth U. S. Civil Service Region, Federal Office Bldg., New Orleans, La., for examination for pre-natal appointment to the position of Customs Examining Aid \$1825 a year, Bureau of Customs, Treasury Department, New Orleans, La., according to a statement issued today by A. J. Leach, Regional Director. Applications must be on file in the Tenth Regional Office not later than March 28, 1950. Age limits for this position are 18 to 40, but these age limits do not apply to veterans. Applicants will be required to take a written test, and also meet certain experience and training requirements.

Additional information and application forms can be secured from the Secretary, Board of U. S. Civil Service Examiners at any first- or second-class postoffice in Louisiana and Mississippi, or from the Tenth U. S. Civil Service Region, Federal Office Building, New Orleans, Louisiana.

PROFITS

Profits of 565 representative American corporations in 1949 almost equaled the all-time high record set in 1948. The total is only 2.6 percent under the earnings of these companies in 1948. The 565 corporations reported dollar profits of \$5,049,852,690 in 1949 as against a total of \$5,189,795,000 in 1948.

GIVE!

Last year the American Red Cross sent material assistance valued at \$1,817,268 to the International Red Cross and 35 sister societies to help meet emergency needs and aid in the development of Red Cross services in foreign countries. Your 1950 Red Cross contribution helps prevent misery and suffering throughout the world.

111 LIVES SAVED IN
THREE YEAR PERIOD

Highway Patrol records reveal 498 persons killed on the streets and highways of Mississippi in 1946. In 1947 this was reduced to 445. In 1948 it was further reduced to 419. And in 1949 a further reduction with 387 persons killed on Mississippi Highways and streets. This means the number of lives saved has been 111 over a three-year period. Cal. Birdsong states this reduction has been brought about by: (1) More rigid enforcement by not only the Patrol, but all enforcement officers of Mississippi; (2) Various Educational Programs in our schools and Civic organizations; (3) And last, but by no means least, the cooperation of the Press, radio, Outdoor Advertising Association of Mississippi and motion picture industry.

Yes, the cooperation of the public with us in our programs has been a contributing factor. Let's all work together and reduce this figure more.

RAISES FOR STATE
OFFICIALS PROPOSED

Jackson, Miss.—Raises for two state officials were proposed to the State Legislature last Friday, one in the House the other in the Senate. Sens. T. H. Henry and Robert Thompson introduced a bill raising the salary of the director of the agricultural board from \$6000 to \$7000 a year. In the House, Reps. Jack Stuart, Hayden Campbell and Chalmers Alexander suggested a \$2000 boost for the executive officer of the state board of health. It would raise the annual stipend to \$12,000.

The PMA County Committee

EXTENSION OF DATE FOR  
ACCEPTING APPLICATIONS  
FOR ALLOTMENTS ON  
NEW COTTON FARMS

The PMA County Committee announced today that the time for accepting applications for cotton allotments on new cotton farms had been extended to April 7, 1950. There are three types of farms that may be classified as new cotton farms in 1950.

These are as follows: (1) A farm on which cotton will be grown for the first time in 1950. (2) A farm on which cotton was grown in 1949 for the first time since 1945 and on which the producer will want to grow cotton in 1950. (3) Any old cotton farms which grew cotton prior to 1946 but did not grow cotton during 1946, 1947, or 1948 but will plant cotton in 1950.

Anyone desiring to make application for a cotton allotment should do so right away as no applications will be accepted after April 7, 1950.

TO CONSERVE SOIL KEEP  
IT FERTILE

If you want to keep soil from washing and blowing away, keep it fertile, says Randolph W. Seal, chairman of the Hancock County PMA Committee.

He points out five ways in which fertility protects soil from erosion: (1) Fertile soil produces a heavier plant growth. This protects the land against wind and water erosion. (2) The heavier growth takes more of the water and thus reduces run-off. (3) Fertile soil is in better physical condition to take in and hold rain water, thus reducing the amount of run-off. (4) Higher soil fertility makes it possible to grow the needed row crops on level land and sloping fields may be protected by sod or trees. This leaves more land for pasture, trees, wildlife and recreation. (5) The added income resulting from increased yields makes it possible for the farmer to carry out more effective practices on his farm.

"It is an endless chain," says the chairman. "More fertility means better crops—better crops mean more conservation—more conservation means more fertility." And the reverse also is true. Eroded and depleted land means poorer crops. Poorer crops mean less conservation. Less conservation means more erosion and depletion."

FERTILE SOIL SAVES GRASS  
AND LEGUME SEED

Fewer grass or legume seeds will be needed to produce a stand on soils which have plenty of available fertility, continues Mr. Seal.

The chairman stresses the point because most of the farmers who will adjust their corn, wheat, cotton or other crop acreage will take out some of their poorer land and plant much of it to grass and legume. It is this relatively poorer land which may be lacking in fertility and therefore will not supply quickly the fertility which the young seedlings of grasses or legumes need. The weaker ones of the seedlings will die. But if the amounts of lime and fertilizers needed are applied to these soils, and the seed is sown on a fine, firm seed bed, the young seedlings will grow vigorously from the time of germination.

Besides the saving of seed the practice of putting needed fertilizers on the soil has much to commend it, the chairman said. Better growth of the legumes and grasses is assured which in turn means that the soils are held more tightly by the increased growth of roots. In addition, a greater amount of organic matter is produced, which, when turned under, further builds up the producing ability of the soil. He points out that there are a number of practices in the 1950 Agricultural Conservation Program which will help farmers get the best results from their grass and legume plantings.

Assistance through the local PMA phosphate potash, basic slag, rock phosphate, agricultural limestone and calcium silicate slag.

Much emphasis is being given to the applying of limestone and calcium silicate slag since there is such a great need for liming materials on the land and they are available on a spread-on-the-land basis.

## WAVELAND WANDERINGS

By  
Mrs. Georgette Hall

The Bay Waveland Junior Women's Club which was organized in Bay St. Louis last week under the sponsorship of Mrs. Johann Craft will hold its first April meeting at the home of Bay St. Louis Monday night. Meeting of this group will be held the first and third Mondays of each month. Membership in this club is by invitation only. The first project is a picnic with prospective members as guests. Girls from Waveland who were elected to officers are Misses Mary Margaret Turcotte, president, Ruth Noto, membership chairman, Beverly Bourgeois and Betty Fort, co-chairmen.

New residents in Waveland are Mr. and Mrs. Fred S. Meyers and four year old son, Fred Michael who are presently occupying an attractive cottage at 208 Beach Boulevard. The Meyers plan to live in Waveland for at least a year.

Mrs. E. Samuel reviewed "The Na-tive Woman" Tuesday afternoon. There were a group of Clermont Harbor ladies at Harold's Club.

Mr. and Mrs. Brauner and family enjoyed the week end at their home on Tide Street.

Mr. and Mrs. W. Jackson of Gulfport visited Mr. and Mrs. Roger Bourgeois Sunday at their home on Waveland Avenue.

Mr. and Mrs. Melvin Villers, Mrs.

Ed Tucker and Mrs. Alphonse Favre Jr. spent Monday in New Orleans.

Mr. and Mrs. Henry Angelle spent the week end at their home on Tide Street.

Mr. and Mrs. Carl Callahan and family spent the week end at their home on Waveland Avenue.

Mr. and Mrs. Sidney Bourgeois and daughter, Aggie, spent Monday and Tuesday in New Orleans.

The lovely Burgin home on Tide Street which was recently occupied by Mr. and Mrs. G. Huth and family has been sold to the Paretti family of New Orleans.

Craft's Anchorage is really showing signs of spring these days. A rare orchid, which goes by the botanical name, Cattaleya Mossae, is in bloom with really worth a trip to the Craft greenhouse to see this perfect specimen.

Miss Mary Margaret Turcotte spent Saturday in New Orleans.

Walter Turcotte, home from Perkins Junior College, and his sister, Miss Shirley Turcotte, home from New Orleans where she is presently employed, spent the week end with their parents, Mr. and Mrs. Walter Turcotte, on Bourgeois Lane.

Dr. and Mrs. Frank Hava and guest, Mr. Fred Durocher, spent the day Sunday at their beach residence.

Mr. and Mrs. Charles Macalusa opened their summer home on Beach Boulevard for the week end and entertained

several guests, among them neices, Eileen and Nina Clesi.

Mr. and Mrs. Harold Schuman and family visited Mrs. Nelson on Tide Street during the week end.

Mr. and Mrs. F. X. Fenacci and daughter, Gerry, were at home over the week end in their Beach Boulevard home.

Mrs. Karl Craft was recently the guest of Mrs. Martha Powell, wife of Brigadier General James Powell, at a "Fashion around the clock" fashion show which was sponsored by the Keesler Air Force Base Women's Club. The parade of fashions which was held in the Ballroom of the Officer's Club was a delight to the fashion conscious woman of today. Present and futuristic styles reveal that most styles for the summer will be light pastel suits for cooler climes, and dresses with no sleeves, or with ribbon thin straps, over which midday dons a bolero, a cape or a light jacket. Merchandise displayed at the show was through the courtesy of Biloxi's leading ready to wear stores.

The Senior Class at Bay High enjoyed an all day outing at Pearl River Junior College Tuesday, March 28. The seniors from all high schools in this area were invited to spend Senior Day at the institution. Mrs. Norman Hall, senior sponsor, accompanied the student on the trip. Those going from Waveland were Hope Wilkerson, Alvan Ruhr, and Charles Johnson.

Vesper services conducted by Rev. Richard Schuman of the Clermont Harbor Methodist Church will be held in Waveland Friday evening at 7:30.

## PICKUP TRUCK

WE WILL SELL ONE OF OUR OWN PICKUP TRUCKS, NEARLY NEW, FOR \$1,000. IF YOU WANT A PICK-UP, THIS IS THE BUY.

WHAT WE SHOULD KNOW ABOUT COMMUNISM,  
AS OUTLINED BY COMMITTEE ON  
UN-AMERICAN ACTIVITIES

EDITOR'S NOTE: The following questions and answers are taken from the series "Communism in the USA."

41. Where are Communists trained in Moscow?

The Lenin Institute, a college in revolution which teaches how to capture railroads, ships, radio stations, banks, telephone exchanges, newspapers, water plants, and such things.

42. Does Stalin let American Communists in to see him?

Yes. Earl Browder and William Z. Foster, the two heads of the Party for the last 20 years, have both admitted under oath that they conferred with Stalin.

The records show that Browder, for instance, made 15 known trips to Moscow, several with false passports.

43. Are American Communists used in the Soviet Secret Service?

Yes, here are the names of a few

such agents proved on the public records: Nicholas Dozenberg, George Mink, Philip Aronberg, Charles Dirba, Pascal Cosgrove, J. Mindel, Alexander Trachtenberg, Julia Stuart Poyntz, Jack Johnstone, Charles Krumbein, and Albert Feinabend.

44. What central organization controls all the Communist Parties of the world?

An organization originally set up in Moscow by the Government of Russia, and known as the "Communist International" called COMINTERN for short.

It has since changed its name to "Communist Information Bureau" and is known as the COMINFORM.

45. Who is the most important Communist in the United States today?

The COMINFORM representative.

## Congressional Sidelights

—by—  
CONGRESSMAN WM. M. COLMER

## HOUSE CONCURS ON HOUSING

The House last week followed the lead of the Senate by striking a cooperative housing bill from the Administration's carefully middle-income housing bill. This week's action was based on the ground that it was "unduly restrictive" in its provisions for the granting of a limited group in the form of unusually low interest rates and an unusually long time in which to pay and thus was unfair to veterans and others building their own homes under the terms of FHA. After knocking out this section, the House passed the bill by a vote of 361 to 10.

As passed the bill provided for the disposition of war and veterans' housing and extended the present FHA loan and mortgage insurance programs. While the Senate and House agreed alike in striking out the cooperative housing section, the bill passed by the two Houses differ greatly in other respects and must go to conference.

## COTTON ACREAGE

Both Houses have finally passed the bill to increase the 1950 cotton acreage but only after a hard fight in the Senate, where a group of about state Senators opposed the bill after a provision to increase the wheat acreage also was knocked out. The bill will increase the cotton acreage that can be planted this year by 1,200,000 and should help considerably on hardship cases arising under the federal acreage quota.

## SUBVERSIVES

Lost in the effort of headline grabbers are young men making a name for themselves when a secret young three minutes the magical word "Yes."

large change in Senate. McGowan, a special interest in the House. Under the bill, the federal government will be both in the Government and in the State.

By a vote of 347 to 10, the House passed the Un-American Activities Committee an extra \$500,000. Among other things, the act will provide for the special investigation of Communist activities in the United States. It will be a public act of the United States, and it will be a public act of the United States, and it will be a public act of the United States.

The American Legion and the VFW have joined in supporting bills before the Un-American Activities Committee aimed at curbing subversive activities in America. One bill would prohibit, outlay the Communist Party, and the other would make it unlawful for employers of people employed in the Communist Party to belong to the Communist Party or other organizations.

## U. S. REVENUE

Tax collections in January dropped \$214,935,339 under a vote in the House. They totaled \$3,464,664,000 in January, compared with \$3,679,596,372 in January, 1949. The main cause of the decrease was a drop in automobile receipts from individuals and corporations. The reason for the drop in receipts from individuals and corporations was a drop in automobile receipts from individuals and corporations.

## B. B. LADNER

Mr. B. B. Ladner, Director of the State Game and Fish Commission, has received notification of his selection to the Executive Committee of the International Association of Game Fish and Conservation.

Mr. Ladner was named to this position at a meeting held in San Francisco in early March. The committee is composed of representatives from various states and is responsible for the management of the game and fish resources of the United States.

Mr. Ladner is a well-known sportsman and has been active in the game and fish industry for many years. He is a member of the International Association of Game Fish and Conservation and has been instrumental in the development of the game and fish resources of the United States.

Mr. and Mrs. Henry Larose have been ill and their daughter, Mrs. Ear Buckley took them to her home in New Orleans for a week to recuperate. Mrs. Larose had the flu and Mr. Larose developed pneumonia. Both are better now and Mr. Larose will resume his business route, distributing candy.

Mr. and Mrs. John Dambornio and family spent the week end in Baton Rouge, La. and Saturday night. Miss Marie Dambornio attended the formal dinner of the Kappa Sigma Fraternity as the guest of Edward Landry. The dinner was held at the Club Tropicana in Baton Rouge.

Mr. Rene DeMontluzin, Sr. who suffered a heart attack on Monday of last week has been very ill, but up for the first time on Tuesday of this week. His friends will be delighted to know that he is improving though he will be confined to his home for a while longer.

## CLUB MEETINGS

SJA Parents' Club will hold its regular monthly meeting at the Convention Hall on Tuesday, April 4, at 3 p.m.

St. Margaret's Daughters will meet at the Lunch Room on Second Street on Wednesday afternoon, April 5, at 5:00 o'clock.

THE ENGAGEMENT of Mrs. Rene DeMontluzin, Sr. to Mr. James Claude Larose, son of Mr. and Mrs. C. V. Larose of Oakland, Calif. is announced by her mother, Mrs. Samuel Joseph Beaugois. The wedding will take place in June in the Holy Name of Jesus Church, St. Charles Avenue, New Orleans, Louisiana. Photo by C. Bennett Moore, New Orleans, La.

## Garden Club Pilgrimage To Bay-Waveland Yacht Club Get Nationwide Publicity Next Year

The Mississippi Coast Council of Garden Clubs (which includes our own communities of Bay St. Louis and Waveland) will receive nationwide publicity for its 1951 Annual Spring Pilgrimage of Gardens and Homes if it is learned today.

The dates of the pilgrimage will be carried in "Events Magazine," published for and distributed by Chrysler. Plymouth dealers throughout the United States. In a letter to Mayor Carter, Mr. Jack A. Fritzen, Editor of Events Magazine stated:

"We do appreciate your interest and it is the desire of the editors of Chrysler Events Magazine to publicize all such events as the Annual Spring Pilgrimage of Gardens and Homes whenever we have the information on hand and when space permits. We will be happy to receive the dates you mention for use in 1951."

## S. J. A. PARENTS' CLUB ENTERTAIN VETERANS

Tuesday afternoon, about thirty veterans from the Gulfport Hospital were entertained by the SJA Parents' Club. A circus theme was carried out in the party, with paper hats and souvenirs for each guest and pink lemonade and hot dogs, pop corn and candy for refreshments.

The party was given at the Bay-Waveland Yacht Club and Ralph and Florence, steward and stewardess at the Yacht Club, gave an impromptu program, singing and piano numbers, this was followed by general singing by the guests of old favorite songs. The committee members in charge of the party were, Mrs. W. L. Reeder, president of SJA Parents' Club; Mrs. E. Crasto, chairman; Mrs. Marie Garcia, Mrs. Ed. Larroux, Mrs. Vernon Jaubert, Mrs. Geo. Anderson, Mrs. John Joyce, Mrs. Nelus Rhodes and Mrs. Walter James Phillips.

## Mrs. R. DeMontluzin, Jr., Hostess At Shower For Miss Bartram

Last Saturday afternoon at Hotel Reed, Mrs. Rene DeMontluzin, Jr. was hostess at a lingerie shower in honor of Mrs. Pat Bartram, whose marriage to Mr. Thomas Maxwell Bartram will take place on April 9th.

The many lovely gifts were presented in a beribboned Easter basket and the refreshment table, decorations and place cards were carried out in the Easter theme.

Guests at the shower were Mrs. W. E. Bartram, mother of the bride; Misses Alicia Rollins and Ann McNabb, who will be bridesmaids at the wedding; Mesdames A. D. Drescher, George Leblond, C. D. Blair, Dan McCull, Lauch, Richard Shadon, P. E. Porter, Jr., M. J. Langrand, Hardin Shadon, John Bell, J. K. Larsen and Robert Cumors.

## NOTE OF THANKS

Mrs. Nelus Rhodes, who directed the Minstrel for the benefit of the Red Cross, which was presented at the SJA Parents' Club last Friday night thanks the Sisters of St. Joseph Academy, the Brothers of St. Stanislaus and those who helped with make-up, Mrs. Vicki Henry, Mrs. Doris Cohen, Mrs. Grace Wiegand and Mrs. Margaret Shadon. Also Geo. Heitzmann and Mr. and Mrs. George Kramer.

There were so many people who were unable to attend the Minstrel last Friday night and those who did see it would like to see it again, that it will be brought back for the benefit of the local hospital. The time and place will be published later, toward the end of April.

## NOTICE OF MEETING

The King's Daughters will hold its regular monthly meeting on Monday, April 3rd, at 3:00 p.m. at the hospital. It is urged that all members send in their dues and attend the meeting as election of new officers will take place.

## St. Stanislaus Band Rates High in Contest

The Band Division of the Mississippi High School Association had the contest for the instrumental solos and ensembles in Gulfport on Saturday, March 25.

The St. Stanislaus Band students entered ten of the events and won first-place rating in six; second-place in two and third-place in two.

Rating first-place were Norman Carnovale, Bb clarinet solo; Norbert Carnovale, cornet; Jack Drescher, trombone; James Williams, bass; Saxophone quartet, Norman Carnovale, Paul Hurley, Larry Schaff, Henry Capdepon; bass quartet, Norbert Carnovale, Sal D'Angelo, Gilbert Schmidt, Jack Drescher. Rating second place were Sal D'Angelo, cornet, Paul Hurley, saxophone. Rating third place were Larry Schaff, Bb clarinet; Louis Lucas, saxophone.

The Annual State Band Contest will be held in Jackson during the week of April 17-22. It is not known yet on which day the Saint Stanislaus Band will compete.

The Annual Spring Concert will be given on Saturday, April 15, in St. Joseph Academy auditorium. The public is invited.

## Local Ladies Attend Convention In N. O.

The quadrennial convention of the Louisiana Women's Benefit Association was held on Monday, March 20, at the Hotel Monteleone in New Orleans. Mrs. Nellie Nelson, president, Review No. 10 of Bay St. Louis, Mrs. Helen Biehl, financial secretary and Mrs. Helen Croy, supreme Rept. and State Field director were honored out of town guests at luncheon and at the business meeting.

Delegates from Bay St. Louis attending the quadrennial convention of the Mississippi Women's Benefit Association in Meridian were Mrs. Nellie Nelson, president, Mrs. Margaret Johnson, secretary and Mrs. Lizzie Capdepon, Mrs. Fay Arguelles of Elbert, District Deputy accompanied them.

Mrs. Nellie Nelson was elected president at the meeting, Mrs. Breazelle, acting past president; Mrs. C. D. Middleton, Meridian, vice-president; Mrs. Helen Christian, Meridian, recording secretary and Mrs. Harriet Sturkey, Jackson, chaplain. Mrs. Nelson was designated second alternate to the national WBA Convention in Atlantic City.
